Quick set bobbin

Just drop in a full bobbin, thread in the direction of the arrow and you are ready to sew.

Automatic needle threading system

Needle threading is quick and simple with a one step action.

Back-lit LCD

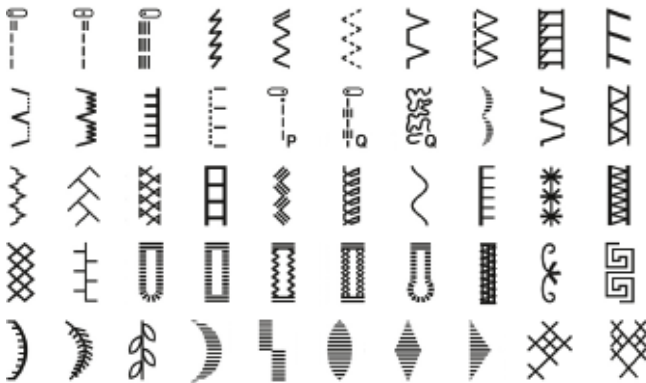

A clear LCD display showing important sewing information.

Hard case

This model will be delivered with hard case.

50 built-in stitch selection

Features at a Glance:

- **Back-lit LCD** displays the stitch pattern number, stitch length and width settings and type of pressure foot required.
- **7 point feed** ensures smooth fabric feeding and superior stitch quality.
- **Handy central controls** – For ease of use. All operating buttons are on one convenient panel. Buttons include Needle position up or down, Start/Stop, Speed control and Reverse sewing.
- **Electronic jog dial** makes stitch selection quick and simple.
- **Presser foot levelling button** – For smooth consistent stitching over changing fabric thicknesses.
- **Slide speed control** adjusts speed from slow to fast.
- **Twin needle key** sets the Innov-is 27 Special edition into twin needle mode.
- **Needle stop position control** selects whether the needle should be up or down when the machine stops.
- **Automatic reverse reinforcement stitches** – For professional beginning and end of stitching line.
- **Bobbin winding system** – Fast and simple threading make winding bobbins quick and easy.
- **Automatic button hole** – 5 styles of one step automatic button holes.
- **Drop feed** – For free motion sewing. Useful for quilting or embroidery.
- **Free arm** – For sewing tubular items like sleeves, trouser legs etc.
- **Snap on presser feet** – For quickly and simply changing presser feet.
- **Fast sewing** – Create with speed at up to 850 stitches per minute sewing speed.
- **Hard case** – Cover for protecting the machine when not in use.

Optional Accessories

Creative Quilting Kit

The kit includes: Wide table, Free motion guide grip, Open toe quilting foot, Quilter for Foot Holder, Open toe walking foot, 1/4" piecing foot with guide.

Walking Foot

Ensures an even feed action when sewing multiple layers of fabric or when matching fabric pins.

Bobbin Work

Create reverse "upside down" sewing with speciality decorative threads that don't fit through the eye of the needle.

Circular attachment

Create precise circles with a radius ranging from 30 to 130 mm.

A great tool for creating circles with straight stitching, zigzag, embellishing and decorative stitches.

What's in the box
